

Aid for War Widow

MITTAGONG APPEAL

Private Ronald George Gilham, of Mittagong, who had been missing whilst a prisoner of war, was recently posted as officially presumed dead. He leaves his wife and three young children living at Mittagong.

The local Repatriation Committee and Mittagong Sub-branch of the Returned Soldiers' League are combining in an effort to provide a new home for Mrs. Gilham and her family.

Mrs. W. Lawson has been authorised to raise funds and other assistance and, with willing helpers, has already been besieged with offers of assistance. Apart from cash in hand, donations have been received of a block of land, sand for building, all carting free, and electrical installation.

Peace celebrations will be marked by a carnival in aid of this objective, in Main Street, Mittagong, on Saturday, 8th June. The immediate response to an appeal not previously announced publicly, indicates Mittagong's enthusiasm for a good cause. Mittagong Sub-branch of the Returned Soldiers' League is co-operating in this effort.

Everyone who can give assistance of any kind should get in touch with Mrs. W. Lawson, Main Street, Mittagong.
